25th September 2018

Dear Parents and Carers,

As part of our aim to provide the children with an exciting and stimulating curriculum, we sometimes make use of films and video clips. These may be:

-
- film versions of a book we have been studying;
 - the use of a section of a film to enable the children to visualise something properly;
 - a stimulus for promoting writing or discussion;
 - something to grab the children and hook them into a topic;
 - or occasionally as a class treat to reward the children.
-

There are times when the materials chosen are classified as a PG, meaning that we need parental permission in order to show them to the children. Discussions with parents have shown us that many parents are happy for their children to watch any PG material which the class teacher deems appropriate for the age and maturity of their child; alternatively, we understand that there are some parents who prefer to be consulted on a film-by-film basis.

Consent for this activity can be given through the School Gateway on-line system. Within the comments section please can you indicate whether you are happy for your child to view any PG films considered appropriate, or whether you would prefer your child's class teacher to seek your consent for each PG film or clip they use. If you are happy for your child to participate please could you give your consent by **Monday 8th October 2018**. Details and a link for the gateway are available on our school website.

Yours sincerely

Caroline Morgan
Year 5/6 Team Leader
