Head Teacher: Mr. Paul Brown

Welcome to Lions and Tigers

The children have all made a fantastic start to their school career. Independently coming in in the morning, being responsible for their belongings and lunches, singing the register, working with friends.

We have been really impressed with how confident the children are when speaking in front of the group, everyone can already sing the register, they have really enjoyed listening to and responding to our books of the week, sharing news at snack time and we have had a really lovely circle at the end of each week.

The children have been great at accessing our block building, bike riding, sand play etc. as well as developing their fine motor skills in painting, peg handling and scissor use.

We will be starting PE next week (w/c 1st October).

We have begun introducing the children to phonics, one sound at a time and will start to teach maths with a focus on number sense (really understanding the value and significance of numbers).

We will keep you updated via the daily scribe.

If you are interested in helping us at Forest School, which will start after 1/2 term please sign up in the office. All helpers must be DBS cleared with the school, any questions please speak with the office team.
