

Anti-Bullying Policy

Tarleton Community Primary School is a place where every person has a right to be themselves, to be included and to learn in a safe and happy environment. Everyone at our school is equal and treats each other with respect and kindness.

Aims and Purpose of the Policy:

Bullying of any kind is unacceptable and will not be tolerated at our school. At our school the safety, welfare and well-being of all pupils and staff is a key priority. We take all incidences of bullying seriously and it is our duty as a whole school community to take measures to prevent and tackle any bullying, harassment or discrimination.

We actively promote values of respect and equality and work to ensure that difference and diversity is celebrated across the whole school community. We want to enable our pupils to become responsible citizens and to prepare them for life in 21st Century Britain. These values reflect those that will be expected of our pupils by society, when they enter secondary school and beyond in the world of work or further study.

We are committed to improving our school's approach to tackling bullying and regularly monitor, assess and review the impact of our preventative measures.

Other policies which have a link to our anti-bullying policy are our: Behaviour Policy, E-Safety and Acceptable Internet Use policies, Sex and Relationship Education Policy, Equality Policy, Staff Code of Conduct, Safeguarding and Child Protection Policy, Confidentiality Policy, Whistle Blowing Policy, and our Social Media Policy.

2. Reporting Bullying:

PUPILS WHO ARE BEING BULLIED: If a pupil is being bullied they are encouraged to not retaliate, but to tell someone they trust about it, such as a friend, family member or trusted adult. They are also encouraged to report and bullying incidents in school:

- Report to a teacher - their class teacher, Mr Upton, Mrs Higson, or any other teacher in school

Reporting - Roles and Responsibilities:

STAFF: All school staff, both teaching and non-teaching (for example midday supervisors, caretakers, librarians) have a duty to report bullying, to be vigilant to the signs of bullying and to play an active role in the school's measures to prevent bullying. If staff are aware of bullying, they should reassure the pupil(s) involved and inform the headteacher and deputy headteacher via a Concern of Bullying Form which can be found on the Safeguarding Display in the Staffroom.

The following staff members are anti-bullying leads: **Mr C Upton** and **Mrs J Higson**.

SENIOR STAFF: The Senior Leadership Team and the headteacher have overall responsibility for ensuring that the anti-bullying policy is followed by all members of staff and that the school upholds its duty to promote the safety and well-being of all young people. In addition to the designated anti-bullying leads, Mr C Upton is the Senior Leader responsible for anti-bullying and will investigate all concerns of bullying or delegate to an appropriate member of staff.

PARENTS AND CARERS: Parents and carers should look out for potential signs of bullying such as distress, lack of concentration, feigning illness or other unusual behaviour. Parents and carers should encourage their child not to retaliate and support and encourage them to report the bullying. Parents and carers can report an incident of bullying to the school either in person, or by phoning or emailing the school office or a member of staff (using Class Dojo).

PUPILS: Pupils should not take part in any kind of bullying and should watch out for signs of bullying among their peers. They should never be bystanders to incidents of bullying, but should offer support to the victim and, if possible, help them to tell a trusted adult.

3. Responding to Bullying:

When bullying has been reported, the following actions will be taken:

- Staff will record the bullying on an Concern of Bullying Form, which will be passed on to Mr C Upton, to be stored in our Bullying and Prejudice-based Incidents section of the SLT Anti-Bullying Monitoring Folder. (Copies of forms can be obtained from the Safeguarding Display Board in the Staffroom).
- Mr C Upton will monitor Concern of Bullying Forms and will analyse and evaluate the results using tracking systems. These will be communicated, where appropriate, to relevant school staff so that actions can be taken to support pupils.
- Mr C Upton will summarise information on bullying incidents in his termly Headteacher's Report to the governing body.
- Staff will offer support to the target of the bullying, in discussion with the pupil's class teacher. Individual meetings will then be held with any target of bullying to devise a plan of action, that ensures they are made to feel safe and reassured that the bullying is not their fault and support from the school's Learning Mentor can be accessed.
- Staff will pro-actively respond to the person carrying out the bullying behaviour, who may require support. They will discuss with the target's class teacher to devise a plan of action
- Staff will decide whether to inform parents or carers and where necessary involve them in any plans of action
- Staff will assess whether any other authorities (such as police or local authority) need to be involved, particularly when actions take place outside of school.

4. Bullying Outside of School:

Bullying is unacceptable and will not be tolerated, whether it takes place in school or outside of school. Bullying can take place on the way to and from school, before or after school hours, at the weekends or during the holidays, or in the wider community. The nature of cyber bullying in particular means that it can impact on pupils' well-being beyond the school day. Staff, parents and carers, and pupils must be vigilant to bullying outside of school and report and respond according to their responsibilities as outlined in this policy. The school have a duty to respond to bullying that occurs outside of school.

5. Derogatory Language:

Derogatory or offensive language is not acceptable and will not be tolerated. This type of language can take any of the forms of bullying listed in our definition of bullying. It will be challenged by staff and recorded by the member of staff involved and monitored by Mr C Upton. Follow up actions and sanctions, if appropriate, will be taken for pupils and staff found using any such language which is in line with the school's Behaviour Policy.

6. Prejudice-based Incidents:

A prejudice-based incident is a one-off incident of unkind or hurtful behaviour that is motivated by a prejudice or negative attitudes, beliefs or views towards a protected characteristic or minority group. It can be targeted towards an individual or group of people and have a significant impact on those targeted. All prejudice-based incidents are taken seriously and recorded and monitored in school, with the head teacher regularly reporting

incidents to the governing body. This not only ensures that all incidents are dealt with accordingly, but also helps to prevent bullying, as it enables targeted anti-bullying interventions where appropriate.

7. School Initiatives to Prevent and Tackle Bullying:

We use a range of measures to prevent and tackle bullying including:

- A child-friendly anti-bullying policy (which is displayed on our school website and on our anti-bullying display and is shared with children by their class teacher during anti-bullying week) ensures that all pupils understand and uphold the anti-bullying policy

- School assemblies help raise pupils' awareness of bullying and derogatory language
- Difference and diversity are celebrated across the school through diverse displays, books and images. The whole school participates in events including Anti-Bullying Week, the study of black history and LGBT history

- Playground buddies offer support to all pupils, including those who may have been the target of bullying
- Pupils are involved in developing school-wide anti-bullying initiatives through consultation with groups and through the anti-bullying survey (School Council)

8. Training:

The headteacher is responsible for ensuring that all school staff, both teaching and non-teaching (including midday supervisors, caretakers and office staff) receive regular training on all aspects of the anti-bullying policy.

9. Monitoring and Reviewing:

The headteacher is responsible for reporting to the governing body (and the local authority where applicable) on how the policy is being enforced and upheld, via the termly Headteacher's Report. The governors are in turn responsible for monitoring the effectiveness of the policy via the report and by in-school monitoring such as learning walks and talking to pupils.

This policy is reviewed every twelve months, in consultation with the whole school community including staff, parents, carers, pupils and governors.
