Parent consultations.

Just a reminder that next week, Wednesday 3rd October is parent consultations. If you have not returned your form, please do so as soon as possible so that we can allocate you a time that is convenient.

Why you have to stay safe online.

The internet is amazing. It can lay the world at our feet, but just like the real world, not everyone has your best interests at heart. There are people out there who want to steal or do bad things to your computer, tablet or phone.

They want to pretend to be you so they can do crimes without the police knowing who they are (they will think it is you!) They may want to sell you things that don't exist or make you do things you don't want to do.

They also want to take over your computer or phone and use it when you are not looking. Stay safe and follow the advice in our weekly newsletters to stop them.

PTA AGM
