Celebrating Success

**SCHOOL
MEMBER**

We are delighted to have been awarded membership of 'Music Mark', having been nominated for the award by Northamptonshire Music and Performing Arts Trust. Music Mark works to 'enable its members to deliver high quality musical and social outcomes for all children and young people'. They wrote:

'We would like to thank you for all the hard work you and your colleagues do to ensure that pupils at your school are able to access and engage with a high-quality music education. Your dedication to offering and delivering a broad and balanced curriculum is both welcomed and celebrated.'

Thanks to everyone, in and out of school, who has worked so hard to achieve this.

Mrs Barnes

Next week in maths, Year 1 will focus on 2D shapes: identifying, naming and sorting according to different properties. Reception will recognise and continue a repeating pattern using objects, sounds, actions or colours.

In English the children will learn how to put a story in the correct order.

In topic work next week we will be putting things in a chronological order from a baby to an adult. It would be helpful if you have any photographs of the children as babies to look at in class. Thank you.

All Year 1 children should now have a Mathletics log in.

Mrs Gibbins

Thank you so much for our Stone age artefacts. We have quite a collection on display now.

On the cadge again – can you send your child in with a cereal box/cardboard box please, as I would like to create a Stone Age settlement. Thank you.

Homework is in the blue book as usual. Remember to practise tables as we have a number of re-tests this week.

In maths next week we will be looking at shape.
