Newsletter

Children are really settled now back in school and are busy learning. Make sure you log in to **Tapestry** (Nursery and Reception) or **Seesaw** (Years 1-6) to see examples of learning in action.

There have been a number of visitors to our school this week and all have commented on how wonderful the children are and how motivated they are to learn. Your help at home with their learning is invaluable and we would encourage you to talk to your child about what they are learning at school as much as you can.

Please encourage your child to access their reading books online through 'bug club' and practise their times tables on 'Times table rock stars' if they are in Year 2 – 6.

REMINDERS - DATES
