Dear Parents,

Welcome to this week's newsletter.

We have been very lucky to have sunshine and warm days this week, which has meant the children have been able to continue with their swimming lessons. As soon as the weather changes and we deem it too cold to swim we will notify you, we are hoping to be able to use the pool for the next couple of weeks.

In Fir Tree class the children have been busy learning their letter sounds and blends and learning more and less than numbers.

In Forge class the children have been busy making and designing super villain masks and capes.

In English Hurstwood children have been reading about The Scarab's Secret.

Kemsley class have been strengthening and developing their understanding of metaphors through the book 'The Arrival' they have produced some beautiful poems in relation to this text.

Oakwood class are working on balanced arguments as a character from the text Kensuke's Kingdom, deciding whether to sail around the World!

We will soon be holding our annual Pumpkin Morning. We would like to thank Mrs Bench and her company, Project Ink Ltd, who very kindly produced and donated the banner advertising our event. It really is eye-catching!

Don't forget to bring your pumpkins. We have adult tombola donation day coming up onfor the pumpkin morning.

If you have any pine cones at home please could you send them in as the children will all be designing a pine cone for our Pumpkin Morning Competition.

Thank you to Mrs Bench (again) and the other Fir tree and Forge mum's who helped to organise and run the Macmillan coffee morning. It was such a great success with the children all enjoying the opportunity to buy themselves a cake at break-time! We will let you know how much was raised as soon as we have the total figure, it was in excess of £350

We will be holding our parent's evenings on Tuesday and Wednesday 16th + 17th October. Fir Tree, Forge and Oakwood will make appointments with their class teacher as usual. For the children in both Hurstwood and Kemsley classes most of the children are taught by the same teacher for both maths and English, so appointments will be made with these teachers. For the 6 children who are taught by a different teacher for both of these subjects a separate appointment will be made. The letter is to follow shortly.

Finally just a reminder to prompt children to bring in books they have read at home so they can give an oral book review to be added to our reading tree.

Have a lovely weekend,

Best Wishes

Michelle Cox
