Dear Parent/Carer

## Phonics Workshop – Thursday 4 October 6:30pm – 7:30pm

Have you ever wondered:

- What is a split digraph?
- Why does my child read like a robot, saying every sound in each word?
- How do young children learn to read?
- What can I do to help my child with early reading skills?
- What is the Year 1 Phonics Screening Check?

If you have, then our Phonics Workshop next Thursday evening will give you all the answers and more!

Whether your child is in Nursery, Reception or Key Stage 1, this informative session will tell you everything you need to know about Phonics. There will then be an opportunity for you to see the resources individual class teachers use during their Phonics sessions and you will be able to get lots of ideas about how to support your children at home. We hope to see as many parents as possible at the session; please let us know if you intend to come by returning the attached slip so we know how many handouts, chairs and refreshments we will need.

Yours sincerely

Laura Bradford  
Assistant Head
