This Week

Inkpen and Rosen have started their journey in maths by looking at numbers to 10. They have been outside developing their gross and fine motor skills by investigating gloop and water. Miss Britton says thank you for all the pictures you have sent of the children doing their homework.

Sharratt and Donaldson have been investigating the properties of alien slime! In English they have been doing narrative sentences and in maths they have been looking at number bonds to 10.

Potter and Ahlberg have been doing some descriptive writing about different monsters. In design technology they have been tasting a range of fruits.

Murphy and Dahl have been doing some cave paintings exploring how they can create a textured background for their hunting scene pictures to go on.

Morpurgo and Kinney have been comparing the teeth of different animals and finding out about herbivores, carnivores and omnivores. They have also written reports on the different stages of the digestive system.

Herge and Walliams have been carrying out research in to the moon to create some fascinating fact files. They have also created their own myths about the origins of the moon.

Shakespeare and Rowling have continued to investigate light. In their English work they are looking at writing alternate chapters for their book Friends or Foe.

Have a great weekend.

The Hive Out of School Club

This week our
activities have been
linked to the Year 3
topic of Tribal Tales.

We have created our
own representation of
Stonehenge from
Jenga, designed
stone-age hunting
tools, looked at Roman
numerals and made
our own salt dough
Roman gold coins.

We have also made
the most of the
sunshine by using the
outside to play games
ball games such as
'time bomb', 'piggy in
the middle', and
Twister!

Mrs Charlton has very
kindly helped us to
start a French club and
we have been learning
to say hello and
introduce ourselves
and the French
alphabet song.

Don't forget we are
holding a holiday club
this half term. If you
haven't registered your
interest yet please do
so as soon as
possible.

View from the Classroom Floor

The buzzing around school has been getting louder and louder as our great Anabee day has arrived. We started with a fantastic bun sale on Thursday afternoon. Your generosity in providing the buns was again fantastic and we had so much to sell we will no doubt raise a lot the Bee Lady. We will let you know when the final total is in.

Today we had some amazing costumes and the winners of our Bee costume competition were; Aaron for the Red team, Erin for the Blue team, Isobelle for the Green team and Milly for the yellow team. Well done to them. What wonderful costumes!

There is a new chess club which has opened up in Mrs Greer's room every Wednesday lunchtime. So if you are interested in chess or want to learn how to play pop along. Olivia, Ana, Annelise and Katie.

A Guide to Helping your Child Read

1. Find a quiet time to make reading special.

Set aside some quiet time each night to be with your child. Ten to fifteen minutes is usually long enough. If you value it they will too!

2. Reading is fun so make it enjoyable.

Sit with your child. Try not to pressurise if he or she is reluctant. If your child loses interest then do something else.

3. Keep the flow going.

If your child mispronounces a word do not interrupt immediately. Instead allow opportunity for self-correction. It is better to tell a child some unknown words to maintain the flow rather than insisting on trying to build them all up from the sounds of the letters. If your child does try to 'sound out' words, encourage the use of letter sounds rather than 'alphabet names'.

4. Always be positive.

If your child says something nearly right to start with that is fine. Don't say 'No. That's wrong,' but 'Let's read it together' and point to the words as you say them. Boost your child's confidence with constant praise for even the smallest achievement.

Lego Card Swaps

The children are enthusiastically collecting Lego cards and are really keen to swap them in school.

So far they have been very sensible and responsible with their swapping and we are holding a club every Tuesday lunchtime when they can swap their cards.

If you do swap at Sainsbury's and get offered free cards and your children aren't interested please still collect them and send them in to school.

We are looking at extending our swapping to Match Attack cards so again if your child wishes to swap them please make sure they understand what happens when they swap something and encourage them to bring their cards on a Tuesday to the club so they can be swapped and played with sensibly.
