Dear Parents/Carers,

We have had a busy week in school and the school really feels like we are back into a good routine after the summer break. I have popped in to all of the classes and I have been looking critically at the children's learning environments and how we can use them to support the children in their learning. In all classes there is a really positive feel and the children are all committed to working hard. It was particularly nice to see how well the reception children have been coming into school and it has been nice to spend some time with them in their classroom.

On Monday I attended this term's PTA meeting which as always was full of such positive spirit. There are lots of events planned as well as new ideas to help raise money for the school. It was really nice to see parents from across the year groups so please don't be shy and come along to the AGM on the 15<sup>th</sup> October to find out more. As always the school had lots of suggestions on how to spend the money – just last term we had 2 new interactive screens installed at KS1 and KS2. So a big thank you to you all.

I was cheered to see how many parents have volunteered to help the school this week. This makes such a difference to us and the children. We had quite a team helping with football on Thursday. Please do let us know if you would like to help as we really do appreciate any support.

I will be putting a Q and A document on the website from our 'Ofsted' meeting on the 13<sup>th</sup> September 2018 which I hope you will find useful. If you would like to be involved in the 'Parent Focus Group' or 'SEND focus group' then please let Mrs Rogers know. We will be meeting at 6pm on Wednesday 26<sup>th</sup> September to talk about the format of parents evening amongst other things.

Have a wonderful weekend with your family.
