

Our core Christian Values: *Trust, Friendship, Creativity, Courage, Respect, Compassion*

## Make your own Ice-Cream Sundaes!

To celebrate the start of Term 1 and to welcome our new Reception children now they have settled in, we are offering ALL children in the school the opportunity to create their own school dinner dessert on THURSDAY 4TH OCTOBER at Trinity's own ice-cream station! To be eligible for this your child needs to be booked in for a school lunch on Thursday 4th via the ParentPay booking system. It will be difficult for us to accept children who haven't booked and wish to participate on the day due to the popularity of this event so please ensure you book in advance.

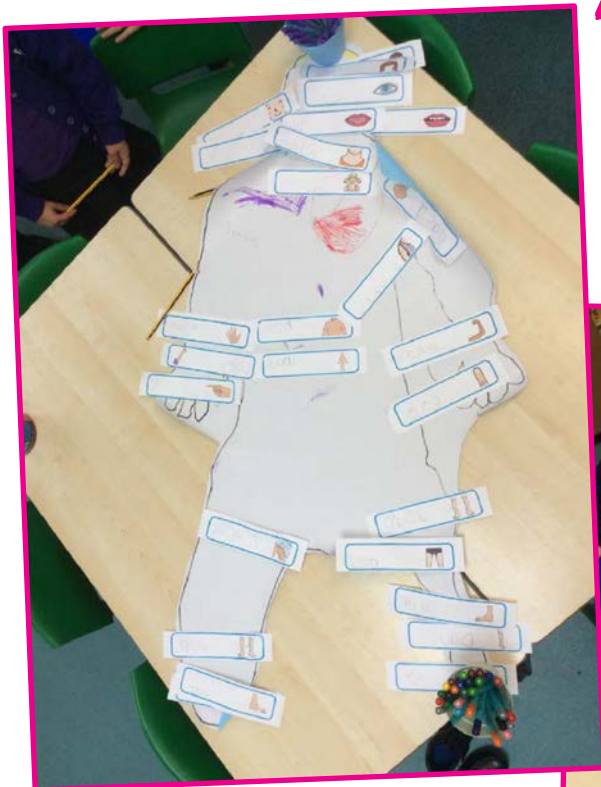

If your child is in Key Stage 1 (YR, Y1, Y2) or entitled to free meals you will NOT be charged but this will allow our kitchen to calculate the amount of food they will need to order.

If you cannot access ParentPay, please let the school office know and we will organise setup details.

## SchoolPing

We have been extremely pleased with the amount of parents who are accessing our new school ping communication system. Please remember that if you reply to a permission request using your phone there is no need to complete a paper slip. It is our intention to phase out communication via paper so that all correspondence is sent via school ping. In order to do this we need 100% of parents using the app so that we can progress to paperless communication by January 2019.

Please ensure you have downloaded the app and logged in with the information we have sent out by email previously so that you don't miss out on important school news. If you require further help or would like the information sent again, please call the school office.

## Science in Chestnut Class

In our science lessons Chestnut Class have been thinking all about the human body. The children worked in groups drawing around a person and adding the features of a human. They even drew veins! After they wrote labels for each part of the body and labelled it in the correct places.

# Head Teacher's Award Winners

Conker  
Chestnut  
Cedar  
Willow  
Cherry  
Maple  
Redwood

w/e 28th September

Ada

| Thursday 13th June 2019     | <b>Conker Class</b> - Term 6    |
| Thursday 18th July 2019     | <b>Redwood Leavers Assembly</b> |

## Attendance

Regular attendance is imperative to the progress and learning of all our pupils. It is equally important that all pupils arrive punctually for the start of the school day. It is not only disruptive to themselves but also to their peers if they are late. As a school we realise that sometimes absence or lateness is unavoidable but this should be a rarity and not become the norm.

If your child is unwell and not able to attend school please call the school before 9am using option 1 to leave a message. You will need to call every day that your child is unwell. Please remember that children should attend optician, dental or medical appointments outside of school hours if at all possible. If attending during school hours you should provide evidence of your appointment to the school office.

Thank you for your co-operation.

## Sports Fixtures

- Football - Trinity v Longvernal on Wednesday 17th October at Somervale 3.45–5.30pm
