On Tuesday at 11.30am, this is what was happening in Early Years and KS1.

Nursery children were enjoying the morning sunshine using the water play equipment and riding horses (and elephants) from PWP Riding Stables. This week they are learning about “Miss Polly had a Dolly”.

Reception Class are being taught by Miss Hall for the week, learning about “The Smartest Giant in School” and trying to recognise and write the number “2” using a good pencil grip.

In Year 1, the children were listening to a story called “Oliver’s Vegetables”. Using cut-out pictures, the children had to re-tell the story in their books.

Year 2 were getting to grips with cursive handwriting by following Mrs Collins on their whiteboards. Another busy morning of learning!

Outdoor Learning

On Wednesday, our Reception Class pulled on their wellies to explore the school field and Forest School.

Charlie said:

“We are looking for interesting things and putting them on sticks.”

In Forest School, Miss Hall showed the children a large fungi growing on a stump. The children were very proud of their treasures, particularly the colourful leaves and little acorns.
The Ark is OPEN for INSET day on Monday 7th January

£20 per child
7.45am to 6pm
Bring a packed lunch, snacks provided.

Book early to avoid disappointment!

Our newly elected School Council held their first meeting on Friday last week. Minutes were taken and everyone had the chance to give their views.

The Power of Reading at PWP

All our pupils must be encouraged to read widely across both fiction and non-fiction to develop their knowledge of themselves and the world in which they live.

Establishing an appreciation and love of reading will help our children gain knowledge across the curriculum, feed their imagination and open up a treasure-trove of wonder and joy for curious young minds.

Do you read to your child? Research has shown that even long after a child can read fluently alone, having an adult read to them really boosts their vocabulary. So parents who mix reading to and listening to a child, even up to age 13, are giving them the very best opportunity to be lifelong readers and learners.

Top of the Long Rope Skipping League this week are:-

Jessie and Thomas N.
