

October Newsletter

8.10.18 – Horse-riding begins

26.10.18 – Annual Review Meetings

29th Oct – 2nd Nov
(inclusive – Halloween Holidays)

- We can't believe that it is October already! September was a busy month. We welcomed our new staff members Tina and Natasha and have loved having Jessica in our class full time. Everyone has settled well into the new term, and are coping with their new responsibilities in class.
- This month we our topic was 'All About Me'. We did our self-portraits, learnt about parts of our bodies and explored our 5 senses. We also learnt about the season of Autumn across the curriculum - creating Autumn leaves in art, going on an Autumn walk and exploring our Autumn discovery box during topic work.
- Horse-riding is will begin on October 8th. Please ensure your child has a coat, gloves, trousers/leggings for the girls and a pair of wellie boots.
- It was great catching up with you all at the Primary Coffee Morning and I look forward to seeing you all again soon for our Annual Reviews.

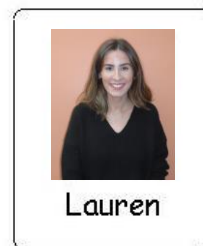

Here's the another great year!
