The Brand New Biddick Behaviour Charts

In school, we want all our children to feel safe and happy; we expect excellent behaviour and manners and we know you feel this is important to. Our new colour - coded behaviour chart has been implemented in all classes so...

What do parents and children think of our new behaviour charts?

The children

'It's great because you know when something is right or wrong and it is very clear.'

'Stop and think gives you a chance to do better.'

'You know when and how to improve.'

'Superstar encourages children so they get a reward.'

'It's visual and you can see straightaway.'

'It tracks your behaviour and sets a challenge to be a superstar.'

Parents

'It is clear, fair and easy to understand and is promoting positive behaviour.'

'We are fully supportive - 100% I will be pushing my children to be superstars.'

'Lovely to see that children will be rewarded for good behaviour.'

'I'm using the colour codes at home too.'

'I love the colour coding.'

'We fully agree with the chart and will support the school and our children to uphold it.'

'Clear and concise.'

We had a very successful cake sale on Friday, raising money for Macmillan. The children had a huge 'sugar rush' eating their cakes but all for a worthy cause. Thank you for your support.

At Biddick, we believe in teaching the children about our diverse, multi-cultural community and world. On Monday, Mr Hoque, one of our parents kindly came into school, in his own time, to talk to KS1 about his Islamic faith and show them how, and what, Muslims use when they worship. He will be repeating this to KS2 next week and we would like to thank him for his generosity in supporting our school.
