Intended impact of new initiatives	<ul style="list-style-type: none"> a) Learn the basics to enable children to swim confidently and competently towards a distance of 25 metres. For children who can already swim, learn a range of different strokes. Due to location of school, near the beach, perform safe self-rescue in different water-based situations. b) Children access a range of clubs locally to increase their fitness, resilience and commitment. c) Children become further skilled at skipping. Children new to the school learn skipping skills. d) Children are respectful of all cultures and gain a deeper understanding through dance. e) Opportunities for children to be active and learn to participate as part of a team. Improved attitude to health and fitness. Improve the quality of physical development throughout the day-children access PD even on non-PE days. f) Opportunities to compete in competitive competitions with other schools in a range of sports. Children will proudly represent the school in a team kit. Children will travel to other schools and participate in planned tournaments. g) Staff have statutory qualifications in order to deliver PE lessons. h) Children will be able to represent the school in competitive events. i) Children will have the knowledge and confidence to make sustainable healthy choices.
