### **GREAT HISTORY LESSON**

Well done to Kestrel class for their class assembly. As part of Black History Month the class taught us all about some famous civil rights activists from around the world. An inspiring assembly, with great costumes, singing and music.

### **AIMS AND VALUES**

Thank you to the parents who came to the session at school on Tuesday to help consider the school's aims and values for the next few years. It was a very productive session; I will look at all of the ideas and come back to all parents with the final version, hopefully by the end of this half term.

### **GRANGE SEND GROUP**

Thank you to everybody who attended the first meeting.

Lots of ideas were explored and a list of useful workshops will be created by parents at Grange in the near future. If you are interested to join GSG on a more regular basis, please email the school to show your interest.

### **PE AND GAMES**

Thank you to all the parents who have bought the new PE kit for this year. The children look ever so smart. We have introduced a new PE scheme of work this year and PE is a major school priority this year. I have already seen the children learning new gymnastic skills and being much more active in games lessons. The teachers received training on our IN-SET day in September; they are reporting back to me how much they are enjoying teaching the new lessons. One of the things that makes Grange so special is our broad curriculum we teach and this is another example.

### **PARENTS' CONSULTATION**

On Monday 8th the booking system for parents' consultation will open. The consultation will take place on Friday October 19th from 2.00pm-7.00pm. School will close at 1.30pm on that day. It is crucial that all parents make an appointment to meet the teacher.

### **AUTUMN FAIR**

Look out for the PTA Autumn Fair after school on October 12th.
