

Parent Governor Vacancy

We are currently looking for two parent governors to join our enthusiastic and committed governing board. Being a school governor can be interesting and rewarding. You could gain valuable experience that will impact on your personal and professional life while making a real difference to the development of the children in the school.

You don't need experience of working in education; training is provided by the local authority, and our more experienced governors act as 'buddies' to new members.

If you are a parent/carer with a child at the school and are interested in joining our governing board, please pick up an application form from the school's reception area and return it to the school office by Thursday October 4th at noon. If you have any questions about the role, please contact our Clerk to Governors - rachelwright@brunswick.brighton-hove.sch.uk

Thank you.
