Dear Parents

We are pleased to once again have the chance to attend the Beeline Storytelling Festival at Worcester University. This is a wonderful opportunity for our pupils to experience the joy of the story genre.

On the afternoon of **Tuesday 16<sup>th</sup> October KS2** will be listening and watching Steve Cole who is a very popular author of children's books and science fiction.

On the morning of **Tuesday 23<sup>rd</sup> October EYFS & KS1** will be listening and watching a performance by the Birmingham Playhouse.

Live story telling is a very immediate and dynamic way to come into contact with stories. This will help our children to develop not only their love of reading but also their understanding of how great stories are structured.

We will travel to Worcester by coach, which will drop us at Croft Road carpark so everyone will therefore need a waterproof jacket. On both days we will be taking lunch with us to eat at the venue. Packed lunches ordered on line will be delivered to school in time for the children to take with them.

Please complete the attached consent slip and return to school by Thursday 11<sup>th</sup> October.

Yours sincerely

**Mrs Wallis**
