

Governor profile: Man Tsuey (Manny) Tse

Name	Man Tsuey (Manny) Tse
Category of governor	Co-opted
Term of office	May 2016 – May 2020
Work	I was a research scientist before moving into scientific publishing and I currently work as a freelance scientific editor and writer.
Governance experience	I've been a governor for just over 2 years now and it's been a steep learning curve! I've attended training courses and many meetings, and have a good understanding of the important role that governors play in supporting and challenging the school.
Why did you become a governor?	I wanted to give something back to the school, as I know the staff work extremely hard to provide the best for children. I also wanted to gain a deeper understanding of the education system so that I know why certain decisions are made and how they may impact children's learning and experience at the school.
