26th September, 2018

Dear Parents and Carers,

We are very lucky at St Paul's to have such an extensive outdoor classroom for our Nursery and Reception children to learn in. To ensure that learning is effective, teaching staff need to plan learning activities for the children, set up the area for the children to use and organise the space and resources.

Prior to sessions beginning at the start of the day it is essential that the outdoor space is not used by children. Children are requested to stay with their parent/carer until 8.50am when their teacher will collect them; they should not be playing in the outdoor classroom and I request that any adult who brings your child to school ensures that your child lines up outside the Reception Classroom on their arrival at school.

Although the area is very appealing for young children to play in, I hope you understand why this request is being made and will support us in ensuring that our outdoor learning space is as well organised as it can be. I trust you will share this request with whoever needs to know.

Many thanks for your anticipated co-operation.

Yours sincerely,

Mrs S Sinclair
Headteacher
