

Policy 14

HEALTH AND SAFETY

Reviewed October 2017

Ratified December 2017

Rationale

- To prevent accidents and cases of ill health by providing adequate control of health and safety risks.

Statement of Intent

- Strive to provide a safe environment for both working and learning throughout the school.
- Provide adequate training to stakeholders.
- To access and manage risk on a continuous basis.
- To utilise professional services to comply with H&S legislation.
- To consider H&S in the planning of new developments.

Strategies

- H&S training will be provided to all professional users of the school.
- H&S logs will be kept for First Aid, Accident, Fire, Asbestos and Legionella.
- H&S log will be kept for the Swimming Pool (Slip End Only).
- Adequate H&S logs will be maintained by the designated member of staff as depicted in the procedure manual.
- Risks and issues will be reviewed annually and funding made available for improvements.

Frequency – Governor’s decision - Annually

Review date – October 2018
