

## Show and Tell

Here is an overview of the themes for show and tell for the first half term. These are linked to our topics and the children's interests. Your child will talk in front of their peers and will be asked questions about what they show or tell. Your child can bring anything relating to this topic (toys, photos, books, drawings etc). We just ask that nothing valuable or breakable is sent into school.

Week Beginning	Theme
10 <sup>th</sup> September	Holidays
17 <sup>th</sup> September	All about me
24 <sup>th</sup> September	People who are special to me
1 <sup>st</sup> October	Castles
8 <sup>th</sup> October	Knights
15 <sup>th</sup> October	Dragons and Princesses
22 <sup>nd</sup> October	Fairy tales

If you have any questions then do not hesitate to ask me. Please ensure your child has something to share on their designated day as this is a great way to build confidence and also practise speaking and listening skills.

Many Thanks
