

In English we will be learning to...

- Identify the 44 phonemes (sounds) and their related graphemes (letter shapes)
- Re-read books to build up fluency and confidence
- Recognise and join in with predictable phrases
- Predict what might happen next in a story
- Hold a pencil comfortably and correctly
- Say out loud what we are going to write
- Leave finger spaces between words
- Use capital letters and full stops

Year 1 Autumn Term 2018

In Maths we will be learning to...

- Count fluently forwards and backwards to, and over, 100
- Read and write numbers 1-20 in digits and words
- Develop our skills of adding and taking away
- Explore money, measure length and solve simple problems
- Identify a range of 2D and 3D shapes

In Science we will be learning to...

- Identify and name a variety of common wild and garden plants, including evergreen and deciduous trees
- Observe changes across the four seasons
- Identify, draw and label the basic body parts and say which parts link to our five senses.
- Observe the behaviours and habitats of creatures in the school grounds and our pets.

What else can I do at home?

- Read every day
- Practise spellings and sounds
- Practise number bonds
- Practise counting in 1s, 2s, 5s and 10s
- Look for shapes in the environment
- Count out money when going shopping
- Name the plants and animals that can be found near homes and gardens
- Find topic related objects and bring them into school

In Design Technology we will be learning to...

- Make moving pictures by using levels and sliders
- Design and evaluate our work

In Computing we will be learning to...

- Collect and display data
- Use simple algorithms (instructions) and computer programming skills

In History we will be learning to...

- Identify how national seaside holidays within living memory have changed e.g. beach wear, travel, holiday locations

Year 1 Autumn Term 2018

Oh we do like to be beside the seaside

We will also be learning to:

- Develop **Self-awareness and Self-esteem**
- We're all stars (Community, Rights and responsibilities, Getting to know each other) Working together (**PSHCE/SEAL**)
- Care for the earth and learn about celebrations. How and why do we celebrate special times? (**RE**)

In Art and Design we will be learning to...

- Use colour, texture and form
- Paint, make a collage and make a clay sculpture
- Talk about the work of Pointillist artists

In PE we will be learning to...

- Improve our movement skills in Games, Gym, Dance and when using a ball

In Geography we will be learning to...

- Find England, Ireland, Scotland and Wales on a map, name their capital cities and learn about their characteristics

In Music we will be learning to...

- Explore sounds, beat and pitch
