¹ The word 'regular' is defined as meaning at least twice each calendar month for a period of at least twelve months prior to the closing date for applications. For families new to the area they should have attended at least twice each calendar month since their arrival in the area and they should also submit a letter from the minister of their previous church or place of worship indicating their pattern of worship there. Please note that attendance of a child at Sunday School/Club or church toddler group does not meet the regular attendance requirement.
