

# Parent Toolkit

Free autism training from The Autism Group

## Understanding Behaviour - Making Sense of Sensory Differences

We examine the overlooked sensory causes behind challenging behaviour, and how to recognise and respond to them.

Suitable for parents and carers of children of primary or secondary school age.

### WHEN?

Wednesday October 31st 2108  
10am to 12pm

### WHERE?

Braywick Heath Nurseries  
41 Braywick Road  
Maidenhead  
SL6 1DX  
(Next to Toby Carvery)

- † Suitable for anyone living or caring for someone with autism, whether newly diagnosed, facing new life stage challenges or simply wanting to refresh their knowledge and understanding.
- † A 2 hour session packed with information and ideas to better equip carers in responding to the needs of those on the spectrum.
- † Friendly, interactive style delivered by qualified autism trainers who can also share their own experience as parents of people on the spectrum.
