

Year 2 Homework Menu

This half term, the children's topic is 'Life is a Journey'. This will involve learning different stories, explorers and voyages. Please help and encourage your child to choose at least 3 activities to complete at home. For each task completed, 20 house points will be rewarded!

- Lots of explorers went on adventures and discovered new places! What can you find out about different explorers e.g. Christopher Columbus?

Challenge 1: Draw a picture of an explorer and write a fact about him.

Challenge 2: Find out: Where was he born? When was he born? Find a country that he discovered!

Challenge 3: Write a diary entry pretending you are an explorer and have just discovered a new country!

- Write a newspaper report about Moana's adventure across the sea

Challenge 1: Make a story board or comic strip of pictures and label them to explain what happened to Moana

Challenge 2: Think of a headline and write a newspaper report to explain what happened to Moana

Challenge 3: Include a picture and caption in your newspaper report

- Write a post card telling your friend about an adventure that you've been on

Challenge 1: Describe what you did and saw on your adventure. Use adjectives to make your writing more interesting.

Challenge 2: Describe what you did and saw on your adventure. Use adjectives and adverbs to make your writing more interesting.

- Make a boat out of things around the house (ask a grown up for help!) that an explorer could use on an adventure

Challenge 1: Make your boat and test it in the sink or bath. Does it sink or float?

Challenge 2: Draw a diagram of your boat and label the different materials you used to make it.

- Look at a map of the world

Challenge 1: See if you can find countries that you know

Challenge 2: Try and find the 7 continents and 5 oceans

Challenge 3: Find a country that you know and write a fact file about it

Thank you

The Key Stage 1 Team
