1st October 2018

Dear Parents/Guardians,

Welcome to a new school year at St. Mary's Catholic Primary! Below you will find information on this month's upcoming events run by us, the parent teacher association committee.

Pamper Evening 25th October 6pm-8pm

Come and enjoy our evening of pampering and shopping. There will be therapists doing treatments from head massages to reflexology, also a number of stalls like Body Shop, Tinks Enchanted Bowtique and Avon so you can treat yourself or pick up the perfect Christmas gift. We will be holding a raffle that night too with prizes ranging from beauty products to sweet treats. Tickets are £10 and include entry, one free mini treatment of your choice, a goody bag, raffle ticket and a drink. Childcare will be provided by a member of staff in after school club with a movie, activities and snacks. Tickets available from the school office please bring exact change.

Harvest Festival 30th October

Join us for an old school style harvest celebration! Have the children decorate a shoe size box and fill it with Autumn vegetables. We will then display them in the school hall along with their beautiful harvest colouring (pictures will be sent out via book bags) On the day children can wear their own clothes or a fancy-dress costume for a donation of £1 and can also bring in a £1 to buy a box of vegetables. Miss Jordan will choose a winner for best decorated and filled vegetable box who will receive a Beanie Boo Plush Toy and £5 spending money. Boxes and pictures need to be handed in by 30th October and the winner will be announced in assembly that week Friday 2nd November.

Searching for Volunteers!

Come and join us as we discuss our plans for events. We are an ambitious group whose goal is to raise money for the school and help give our pupils the best start in life. Our next meeting is on Thursday 4th October at 3:20pm at school. Childcare will be provided by a member of school staff.

Why do we fundraise?

Our funds go towards things like helping our school update to newer technology to enhance learning, run fun events for children to socialize with their classmates and replace worn out down reading books and playground furniture. Before the New Year we are hoping to purchase a heart deliberator to be placed on the outside of the school for public use also.

Thank you all so much for your support.

Kind Regards,

The Friends of St. Mary's PTA Committee
