### Food Fun!

There have been lots of delicious sights and smells around school this week as classes explore food in different ways for their topic work.

On Monday, Wagtails made butternut squash and carrot cookies. They have been learning about Autumn fruits and vegetables. They also tasted the cucumbers from their garden that gardening club grew last term and the verdict was that they are yummy (and a bit spiky!)

On Tuesday, Kestrels' class worked in groups to make broccoli and cheese quiche, which smelt and looked wonderful. They have been finding out what is in season in this country, and how far some of our food has travelled – they were

astonished to learn that Kiwi fruit had travelled over 7000 miles!

On Thursday, Woodpeckers and Wagtails had a lovely sunny walk to the allotments to see what is growing at the moment.

Robins have also been learning about food miles and have followed the journey of a banana! They have produced some lovely drawings of the cross-sections of different fruits and vegetables too.

### Fun French for Kids

Your child will have brought home a letter today regarding a new lunchtime French club which will be starting after half term. We had an introductory assembly this morning to explain what it involves. If you would like to book your child a place in the club (which is open to all ages) please contact Helen directly as well as returning slips to the school office.

### Skip2Bfit

We still have skipping ropes available to purchase for £5 from the school office – watch this space for details of our first weekly 2 minute challenge. It has been great to see so many children in the playground practising their skipping this week!
