

## Local Educational Visits around Carrickfergus

September 2018

Dear Parent/Guardian,

There are many facilities around Carrickfergus, within walking distance of the school, which we would like to take our pupils to on a regular basis. This may be to promote outdoor learning, develop gross motor skills, compliment learning about the World Around Us or to visit our local Shared Education partner schools.

Rather than send numerous permission slips for local visits, we would ask you to complete this **single consent form** for local visits around Carrickfergus. **You will still be informed that pupils are leaving the school premises via text message close to the planned excursion.** An additional permission letter will only be sent home for residential trips or educational day visits further afield that require transportation, packed lunches etc.

This list is not exhaustive but local excursions may include visits to:

- Local Shared Education schools (Sunnylands PS & St. Nicholas PS)
- Local churches
- Carrickfergus Library
- Carrickfergus Museum
- Local beaches
- Castlerocklands/Wesley Court and other local residential/nursing homes
- Local shops and post offices etc
- Legg Park and the Marina Park
- Crossing the Belfast Road with the patrol man

We look forward to providing as many different learning experiences as possible for your child.

Mrs J. Miller
