

FoSM PTA PRESENTS

Join us to celebrate

Harvest Festival

Harvest festival is about celebrating the crops and giving to the community. To honour it (this may bring back memories for older generations) we thought about getting the children involved by decorating a shoe box and filling it with vegetables.

These will then be sold for a £1 to anyone attending. Boxes need to be in on the 30th October and will be displayed during the day in the school hall then sold after school. Any remaining boxes will go to charity. A winner will be chosen for best decorated box and receive a themed beanie boo plush toy and £5 spending money.

Also on the 30th October children can come to school dressed in their own clothes or fancy dress for a donation of £1 that goes to FoSM to help the pupils.
