

Lots of really famous  
and successful people  
in the world have  
dyslexia.

!!! WOW !!!

It didn't stop them from chasing  
their dreams did it?

You're probably good at loads  
of stuff too:

art? science? **SPORT?**

problem solving?

ideas?

helping others?

Never say,  
"I can't"  
Always say,  
"I'll try"

## Dyslexia

You are not alone!

Dyslexia is when you have a different way of understanding

and doing things!

This can make it trickier for you to do stuff like

and

and

You are NOT stupid!

It has nothing to do with how clever you are.

It just means that you learn in a different way.

So . . . it will help you if we teach you in a different way too.

And we will!

Lots of people have dyslexia.

Look at ten people in your school or at the shops.

At least 1 of them will have dyslexia.

Having dyslexia doesn't mean that you can't do well at school, enjoy your hobbies or get a good job.
