

# The Orchard Sport

The children will run on the following days weather permitting;  
KS1- Monday lunch time  
Year 3&4- Wednesday lunch time  
Year 5&6- Tuesday lunch time

## Welcome Back

We had an excellent year in sport at Orchard last year! We won the football league for the third year running, improved our medal tally in athletics and competed in a wider range of sports; including tennis, hockey and cross country.

This year we hope to further improve our provision of PE by giving children even more opportunities to practice and compete in a range of different sports. This term we have netball and gymnastics clubs running, as well as cross country and football. At lunchtimes, the sporting ambassadors will also coach hockey and basketball for KS2.

## Orchard Marathon

The Orchard Marathon was a huge success last year and has already started for children in years 1-6. The aim of this is to get children active and complete a marathon distance to earn a fantastic medal. Children can walk, hop, dance or run around the track each week. We will have weekly competitions to see which class, house team or gender is running the furthest.

This year the children will also be able to earn themselves a certificate when reaching 10 and 20-mile milestones.

## Premier League

We have been buoyed at the start of the new term, with the delivery of a free Premier League Primary Stars equipment pack. Stocked full of items including Nike match footballs, training bibs and numbered and lettered floor markers, the Premier League equipment pack will aid teacher delivery of active lessons across the curriculum. The equipment pack was awarded to us following Mr. Hickling's successful application for last year's Premier League Primary Stars Kit and Equipment Scheme. The scheme is part of the Premier League Primary Stars education programme which uses the appeal of Premier League and professional football clubs to inspire children at primary schools across England and Wales to learn, be active and develop important life skills.

Finally, we have achieved the school games silver award for another year!

Mr Sood  
PE coordinator
