

To parents and carers of Foundation Stage, Year 1 & Year 2 children

Please try a free school meal this
Thursday 4th October
Cheeky Pea are putting on a special
Italian themed menu for the day
(details below).

We are hoping to tempt a few more Infants to try school meals with this special menu. There are lots of benefits to free infant meals:

- The meals are nutritionally balanced and freshly prepared in our school kitchen.
- Unlimited fresh bread and a very popular salad bar are available every day.
- Free school meals can save you significant money and time compared to making a packed lunch.
- School meals are flexible – you can order as many days a week as you like to suit your family.

Please order your child's meal on the meal order form below and return to school tomorrow (Weds 3rd Oct).

Apologies if you have already ordered your child's meal - please just re-order from the choices below.

Child's name:

Class:
