

QUEEN'S CRESCENT SCHOOL

Subject action plan 2017/18 and the IMPACT of the spending (below)

SPORT PREMIUM FUNDING AVAILABLE: £18,990

SUBJECT: PE – to include promotion of Bike It Plus, Big Pedal and sustainable transport	CO-ORDINATOR: Sarah Barker - PE Emma Lobb – Bike-It partner teacher PH Sport coaches	LINK GOVERNOR: Shiela Copeman	DATE: 2017-18
--	--	---	-------------------------

Action Points – What needs doing?	Action	Lead	Timescale	Success Criteria	Evaluation
To complete evidence trails to monitor the continuing use of Real PE and Real Gym schemes of work	<ul style="list-style-type: none"> Collect planning from 3 classes in FS2, KS1 and KS2 to show use of schemes. Update display in Hall throughout the year to show use of schemes. Gather children from across the key stages to give their Pupil Voice about the schemes. 	Miss Barker	3x year	<ul style="list-style-type: none"> Schemes being used for at least 2 terms in the year, indoor and outdoor. Staff actively using the digital resources on screen in the Hall. Staff confidently able to push the children to try new things. 	To be completed.
Use the Sainsbury's Vouchers to replenish equipment and to buy different items to support gymnastics	<ul style="list-style-type: none"> Use the 39,000 vouchers to replenish broken/lost equipment but to also focus on equipment we don't have e.g. springboard, easy-to-use stop watches to have more cross curricular opportunities in PE with maths, resources for cooking etc 	Miss Barker and children	September 2017	<ul style="list-style-type: none"> The children will have a say in what to buy. The Young Officials will help to sort and store the equipment and offer to hold demonstrations for any new equipment. New equipment to support different learning in gym 	The equipment arrived in early September including new cooking equipment, artistic gymnastic, timing and golf equipment.
Continue a PE newsletter, but with more of an input from the children	<ul style="list-style-type: none"> On busy sport terms, set up a club or KS2 Enrichment to write articles for the newsletter with quotes and interviews 	Miss Barker and children	Termly	<ul style="list-style-type: none"> Children to write reports on all sporting competitions and festivals. Gather quotes from attendees. Help with Good Work 	Newsletter ongoing. Some input from the Bronze Ambassadors, the Bike-It Crew, netballers and the swimming team.

				Assemblies when teams are reporting back about their achievements.	
To implement a School Sport Organising Committee or Crew to organise and support Sainsbury's School Games provision	<ul style="list-style-type: none"> Use Young Officials/Bike It Crew members or a new set of children to have a say in Level 1 and 2 School Games organisation. Continue to qualify for the Level 3 games in at least 1 sport. 	Miss Barker	Termly	<ul style="list-style-type: none"> Other children in school recognise them as the Organising Committee Run a Club for inactive or disengaged children 	<p>These children are made up of the Bronze Young Ambassadors and the Young Officials who have been trained through the Chippenham Sports Partnership.</p> <p>Throughout terms 4 and 5, they have devised a timetable of activities to run on a Thursday lunch time using the Change4life brand to scaffold their ideas.</p> <p>In term 6, they helped with the running of KS1 and 2 sports days.</p>
To use Sports Premium Funding to have a wider range of after school clubs available that parents do not need to pay for.	<ul style="list-style-type: none"> Use PH Sports to provide a range of after school clubs in traditional and non-traditional sports and activities. Continue to also offer teacher led clubs such as Football, Netball, Country Dancing, Running etc 	Miss Barker Mrs Matthews PH Sport	Termly	<ul style="list-style-type: none"> See a rise in children accessing and attending a free club after school. 	<p>Term 1: PHSport running after school clubs for KS1 Multi sports on a Monday and a KS2 Ultimate Frisbee on a Friday</p> <p>Monday Lunchtime Dance Club for KS1 is continuing from last year. Country Dancing & Multi Sports offered through Enrichment, Running and Netball as Teacher after school clubs on a Tuesday. Tuesday Football after school on Tuesday run by Up & Under sport.</p> <p>Terms 2, 3, 4- KS1 Monday continued as multi sports. KS2 Friday paralympics.</p> <p>Term 5: Monday KS1 paralympic sports, Friday KS2 Tri-Golf</p>
To use Sports Premium to help transport larger groups of children to and from events on a more regular basis.	<ul style="list-style-type: none"> Whole classes to attend festivals such as tri golf, cricket, orienteering and quad kids. Aim to qualify for more than one level 3 event. Funding to pay for supply teachers where needed. 	Miss Barker Mrs Boddy	Termly	<ul style="list-style-type: none"> Attend a higher number of level 2 events. Higher numbers of children attending. Introduction of B teams in some sports. 	<p>An addition of Monday and Friday after school clubs throughout the year since September, has seen a higher attendance at sports clubs.</p> <p>Due to timetabling constraints, this has been difficult to achieve. We have still attended lots of festivals with hand picked children but not with larger numbers.</p> <p>Unfortunately we did not qualify for Marlborough at all this year, although we tried for swimming and Quad Kids.</p>
Continue with The Big Pedal and Bike-It Breakfasts	<ul style="list-style-type: none"> Continue to offer Breakfasts to reward cycling and scooting to school Run Sustrans Superheroes competition. Contact local companies who could provide 	Miss Barker Mrs Lobb	Big Pedal – usually around March/April	<ul style="list-style-type: none"> Increase the amount of journeys completed in 2018 compared with 2017. A decrease in parking issues in the car park. 	<p>Competition to find new members of the Bike-It Crew very successful. 3 new members chosen from 28 entries.</p> <p>Bike-It Breakfast Jan 2018 – BMX star Matti Hemmings attended then offered skills workshops afterwards.</p>

	<ul style="list-style-type: none"> more exciting prizes for winners. Invite in guests such as Dr Bike and local celebs to work with the children throughout the Big Pedal 		Breakfasts – October/March		<p>Bike-It Breakfast April 2018 – end of the Big Pedal. Very well attended – nice weather!</p> <p>Big pedal 2018 – 260th for large schools. Daily score: 27.37% of children and supporters scooting or cycling to school. Competition launched for new t-shirts to be worn by the crew – winner, Freya, won a new bike helmet from Matti Hemmings.</p>
Top-up swimming for year 6s after SATs	<ul style="list-style-type: none"> Through looking at past results in year 4 and asking parents, target year 6 children who cannot swim 25m unaided. Depending on numbers, they can join the year ¾ swimmers in term 6 after SATs. 	Year 6 teachers Miss Barker Olympiad	Term 6	<ul style="list-style-type: none"> Year 6 non swimmers to be able to confidently swim 25m unaided using a recognisable stroke. 	<p>Six children took the opportunity to access free top-up swimming with the aim of swimming 25m unaided. They attended 2 intensive sessions at the Olympiad where they were all successful at completing 25m which means that 96% of our year 6 cohort have completed the National Curriculum requirements.</p>

Impact from the Sports Premium Funding

- £8000 towards the grant for a new KS1 playground. The equipment is old and tired and no longer creates an atmosphere for creative and active play. Building work begins in August 2018 ready for the new academic year and will include an updated Pirate Ship, new climbing walls/nets, balance beams and high climbing towers.
- Purchase of medals and a trophy to support our PAT football tournament. The children were proud to be awarded a medal for their participation and Aloeric School won the trophy.
- CPD courses for new staff to be able to access the Real Gym/PE schemes of work. This also covered the cost of supply teachers.
- Children able to enter paid-for activities such as the All Active Academy and the Talent Team - £5 per child then £25 per child for the Bath University trip.
- Transport to events such as the swimming gala in Devizes and to watch Team Bath play netball at Bath University.
- A huge investment in after school clubs, Enrichment opportunities and lunch club through our sports provider PHSport.
- New equipment that could not be ordered through Sainsbury's Active Kids Vouchers such as football goals and gymnastics benches.
- Cover for supply to allow teachers to accompany children to sports festivals.
- Costumes for the Chippenham Dance Festival. Some of this money was recouped as some parents bought the costumes to keep.

- BMX workshops to support our first Bike-It Breakfast. Matti Hemmings has visited our school 3 times now so he is well known to the children they also enjoy watching him on TV, breaking World Records and performing tricks.
- Updated staff PE t-shirts. The old style tops are thick and heavy for the summer months, so some lighter weight ones have been purchased through Sporting Billy to allow teaching staff to feel comfortable when they teach PE. This has also allowed members of staff returning from maternity leave to have the correct kit straight away.
- A megaphone to use during Sports Days so that information can be quickly and easily distributed to children and parents. In the past, we have borrowed one from Abbeyfield School and the organisers of Chippenham parkrun.
- Cooking Enrichment on a Friday afternoon, often teaches the children about healthy eating and promotes a positive attitude towards preparing and making their own meals and snacks. For the past few years, we have been ordering the maximum amount of money from Sainsbury's Active Kids Vouchers in the form of a gift card. However, this does not last long so the Sports Premium Funding has been supplementing this activity so that it can keep running.
- Top up swimming for year 6 – funded travel and lessons.
- Year 3/4 circus skills day attended by 100 children.
