29th **INSET day**

INSET days

Please note your diaries with the dates of our INSET days as shown above.

Halloween Disco

Don't forget to save the date of the Halloween Disco which will take place on Friday 19th October. Times will be as follows:

Reception-Year 2: 5.30-7pm

Year 3-Year 6: 7.30-9pm.

More details will follow soon.

Another date worth noting is 8th December for the Christmas Bazaar.

Welcome Back

Welcome back to a new academic year. We hope you all had an interesting and restful holiday.

The children are looking very smart in their school uniform and they have all settled into their new classes. We welcome the new reception children who look so small and timid at this early stage of the year. Also welcome to the children who have joined us higher up the school.

Summer Reading Challenge

Mrs Gittings would like to create a gallery of children who completed the Summer Reading Challenge during the school holidays. If you would like to be included in this gallery, please bring your certificate and medal into the library during next week ready for your photograph to be taken.

Outdoor Activities

We had a busy start to the term with outdoor activities held at Far Peak Climbing Centre for Years 3 and 4 and water sports at South Cerney Water Park for Year 5. All of the children enjoyed themselves and rose to the challenge of team building and getting to know their new teachers.

Clubs

All club letters should have been returned by today, however if there are any outstanding letters please return them to Mrs Barnard as soon as possible. Thank you. **Judo** starts on Monday 17th but other school clubs commence on the week beginning 24th September.

Isle of Wight

Next Monday (17th) our Year 6 children will be going to the Isle of Wight for their residential trip which is always an enjoyable event. We wish them a safe journey and hope that the weather remains kind to them for their varied activities. More news on their return.

Football Academy

Congratulations to Theo Tucker, Year 3, who has been chosen to join West Bromwich Albion's football training academy.

Data Collection Forms and Medical Forms

Please make certain that these are returned to the school office as soon as possible in order to update our records. It is very important that we are informed of the children who have medical needs especially those who need their medication to be kept in school, for example inhalers and EpiPens. Please make certain that these are in date.

Contact Us

We enjoy hearing about our pupils' achievements both in and outside of school and sharing them with other Foxmoor families. We endeavour to keep you informed of school activities and events via letters, The Flyer, our website and Foxmoor's Facebook pages (address details shown in The Flyer). We must ask you however to refrain from contacting school staff personally via social media with queries regarding school life. If you realise (after checking all previous communications) that we have omitted to give you full details of any activity, please contact the school office and we will update our information accordingly. The Flyer and Facebook pages are the best places to find the latest updates. Thank you.

Open Day

The King's School, Gloucester will be holding a whole school open morning on Saturday 6th October (9.30am-12.30pm). Please visit www.thekingsschool.co.uk for more information.
