29th INSET day

INSET days

Please note your diaries with the dates of our INSET days as shown above.

STEM Workshop

Last Friday morning Year 5 pupils travelled to the Berkeley Green campus of Stroud College for a STEM workshop (Science, Technology, Engineering and Maths). It was a very enjoyable morning, all the children arrived back full of enthusiasm for STEM subjects.

Foxmoor Flyer

Clubs

All clubs have now finished until further notice in September.

Summer Reading Challenge Starts tomorrow!

Gloucestershire Libraries are all running the Summer Reading Challenge again during the summer holidays. The theme this year is 'Mischiefs Makers' so why not go along and join in the fun anytime during the holidays from tomorrow onwards. All the children have to do is read six library books and visit the library at least three times over the summer, they will collect special stickers and incentives along the way. Please encourage your children to visit the library and sign up and see the difference the Summer Reading Challenge makes to their reading. It is easy to join the library, just go along with some identification and you can sign up instantly. Why not borrow some books yourself and benefit from some leisure time too? 'It's fun! It's free and it's local'.

Book Amnesty

If you still have school reading books or library books at home, please return them to school as soon as possible. Our books have the tell-tale stickers on the spine so they should be easy to track down if they have been put away on a bookshelf or are with other books of your own. There will be a delay in your child borrowing books next term if there are still books outstanding from this academic year.

School Production

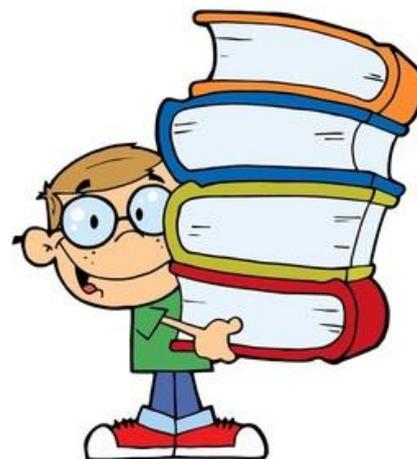

All of the Junior children have been busy this week with last minute rehearsals for the upcoming production. They have coped with the hot weather extremely well while fine tuning their performances. We look forward to presenting the production to parents next week.

There are a few tickets still available for Monday and Tuesday afternoons and Wednesday evening. Tickets for Thursday evening are sold out.

Book Club

The last Book Club sale for this academic year took place on Wednesday. All children were encouraged to spend all of their money so that they can start afresh in the new academic year. They are now armed with some quality materials to keep up the reading habit throughout the holidays.

Leavers' Assembly

The Year 6 Leavers' Assembly will take place next Friday, starting at 9.30am. All parents of Year 6 children are welcome to attend this annual celebration at the conclusion of Year 6 pupils' time at Foxmoor.

Museum in the Park

The Museum in the Park have a packed programme of events planned for the summer holidays many of which are free. Please see the attached sheet for more details.
