

Silkstone Common J & I School

Issue 44 Newsletter September 18

Welcome back

We welcome for our new academic year 20 new reception starters. We also welcome new pupils in Class 4, Class 3 and Class 2. We are looking forward to an exciting year ahead.

Parentpay

Some parents have already had their parent pay set up letter. If you have not received this, please collect it from your child's class teacher. We hope for the system to go active in 2 - 3 weeks. However, please be patient as we have to set the system up in the school office first. Until we are set up, please continue to pay for school meals, music tuition etc as normal. Parents will be notified once we go live. Please note that it is important that you register as we are changing our messaging service to run alongside parent pay. If you do not register you will no longer receive texts or emails from school.

Parent pay can then be used to pay for school meals, trips and music tuition.

As school uniform is purchased straight from the supplier, this will not be on parent pay and you will need to continue with an order form which is available from the school office and pay the supplier direct with cash, cheque or card details.

If your child has school milk this is also direct from the supplier. Details are available from the school office.
