

Silkstone Common J & I School

Issue 43 Newsletter June 2018

ParentPay

Pay online for school meals
and other items...

Coming soon

We are pleased to announce that in the Autumn Term we will be launching an online payment system for dinner money, school trips etc.

- Parentpay is easy to use and will offer you the freedom to make online payments whenever and wherever you like, 24/7.
- The technology used is of the highest intent security available ensuring that your money will reach school safely – offering you a peace of mind.
- This is the on-line payment system used by our feeder secondary school.
- We are hoping to be a completely cashless school therefore we will be phasing out cash and cheque payments. This will help reduce workloads in the school office.
