28<sup>th</sup> September 2018

Dear parents and carers,

On 12th September 2018 our school had a one day Ofsted Inspection. The purpose of this inspection was to find out if Findern Primary School is maintaining a good quality of education for its pupils. I am very pleased to say that this is what was confirmed by the Her Majesty's Inspector (HMI) who carried out the inspection and was the best result we could have achieved from any one-day inspection.

I am very proud of the staff and children, who conducted themselves in an excellent manner throughout the inspection, and for the support of our governing body. Our children only had positive things to say about their school and this speaks volumes. I am also very pleased with the inspection report's acknowledgement of the very high standards and progress our children achieve, as well as the care they receive while at school.

Yours sincerely

Mrs E Titchener  
Headteacher

Emma Titchener
