Analysis of participation shows that...

Eastburn Junior and Infant School offers a range of different sporting activities and events to pupils across school. Pupils have access to specialist coaching and support through external visitors and companies. In addition to this, the school continues to run an over-subscribed before and after-school club where children engage in PE and sporting activities.

The number of pupils participating in the KS2 Cross Country events increased to 40 pupils this year. Out of all of the schools competing, Eastburn had the greatest number pupils participating.

Feedback from a pupil interview (conducted June 2018) highlighted that pupils talk with enthusiasm about the range of clubs and activities on offer. They enjoy taking part in a wide range of sporting events, ranging from football through to Street Dance. Pupils also recognise how taking part in a range of activities promotes balance with academic learning and that living an active lifestyle is a positive choice to make.

Analysis of skill level shows that...

Eastburn Junior and Infant School offers a range of different sporting activities and events to pupils across school. Pupils have access to specialist coaching and support through external visitors and companies. As a result of this, pupils' skill level improves in a range of sports, activities and disciplines. This is further reinforced through a track record of success in different events and inter-school competitions.

This year, pupils achieved unprecedented success in both Cross Country and Cricket events.

60% of Year 6 pupils swim competently, confidently and proficiently over a distance of at least 25 metres, use a range of strokes effectively and are able to perform safe self-rescue in different water-based situations.

Feedback from a pupil interview (conducted June 2018) highlighted that pupils talk with confidence about the range of skills they develop in different activities. They also value the opportunity to work with external specialists as well as with teachers in after-school clubs. Many of the skills discussed focused on the wider aspects of sporting success, such as: collaboration and team work, perseverance and sportsmanship.

Impact – Health and Well Being
