

Reading in Year 5

As you already know, reading is extremely important to aid your child's progress with all their learning. Please try to listen to them read as often as possible - **at least three times a week**. Whenever you read with your child please write in their diary telling us which page number they have reached.

Reading Rewards!

Children also have a chance to earn 'Reading Rewards' for consistent reading at home and in school. For reading 3x a week the children will receive 2 dojos which they can then spend in our Dojo Dealership.

When the children finish their book, they can change it and write their new book in their diary and in the class record. Your child will also be heard read by their Class Teachers and Teaching Assistants during school time. Please do not hesitate to ask if you have any questions.

Many Thanks,

Year 5 Team
