Friday 5th October 2018

Dear Parents/Carers,

Another successful week at Coaley C of E Primary Academy. I am enjoying the number of visitors I receive on a daily basis to share their learning with me. I particularly enjoy that children are recognising the challenges they had to overcome to succeed, a real growth mindset approach to all our learning.

Forest School Club

On Tuesday afternoon, seven intrepid explorers kitted themselves out in long sleeves, long trousers and sturdy footwear to discover the treasures of our pond and forest school area. The excitement was palpable and the session did not disappoint. They set straight to it, clearing away the brambles and the stingers, sweeping the paving area around the pond to set up a base camp for Coaley Forest School. The reward for all their hard work was a delicious mug of hot chocolate while they discussed the next task, creating a bug hotel ready for our mini beasts to hibernate. *"We are helping the pond area by sweeping and cutting down the plants around the pond. We need some materials for our bug hotel, can you help us? Please donate: clay pots (broken ones are fine), bricks, planks of wood, logs."* From all the children of the Forest School Club.
