

Dear Parents/Carers,
 This week in school, Rev'd Liz and some of her colleagues came in to work with Years 2 and 3 children in RE on constructing crosses from around the world.

The children not only developed their craft skills but also had the opportunity to investigate other traditions and cultures. Children will choose one to bring home and the rest will be displayed in school.

Parent Consultation Evening..

Please ensure that slips for next week's consultation evenings are returned to your child's class teacher by Friday, so that advice slips can be sent out. Please take this opportunity to come and see your child's work and chat to teachers.

MacMillan fundraising update..

A HUGE thankyou again for all the help baking, serving and purchasing cakes last Friday...
£610-92 was our final total!!

Payment Plea..

As part of our creative curriculum here at St Peter's we regularly plan trips out of school or invite people in to work with the children. We do not have additional grants to support the payment of creative activities and rely on parental contributions.

All monies should be made on ParentPay – any issues please contact the office for advice.

Thankyou for your support in this matter.

Proud to wear glasses

During October we will be promoting the wearing of glasses through our 'Proud to Wear Glasses' fortnight.'

For some children, wearing glasses is problematic both from a practical point of view, and an image point of view, so by saying that at St Peter's we are all proud to be part of a glasses wearing community we raise the profile and confront negativity!!

School House Captains elected....

Well done to our newly elected house captains who will soon be officially taking up their roles in school. They were presented with their badges in assembly, so can be instantly recognised by their peers.

Earrings..

Please ensure that all earrings are removed prior to your child's PE and swimming lessons. Thank you for your support in this matter.

Year 1 green fingers

Well done to Ms Soutar and all the children in Year 1 who have been busy clearing our growing beds and composting prior to planting out their broad beans.

Considerate Parking..

Please can parents refrain from parking outside the school car park gates at the start and end of the school day. This entrance MUST be kept clear in case of emergencies.

Thank you for your help in this matter.
