---

Dear Parent/Guardian,

Simply Portraits will be in your child's school on **Monday 8th October 2018** to take a beautiful relaxed photograph of all the children individually - the general style of which is shown below.

There is nothing for you to do as our experienced photographer and school teachers will organise the children, but we do wish to advise you that **school jumpers and shirts are required.**

The image is taken fairly close and cropped, therefore shoes etc... will not be visible.

Siblings in school will automatically be photographed.

A few weeks after the shoot your school will provide you with a proof image in colour and Black & White so you may choose as many or as little as required from the wide selection of packages available. Please ensure your order is handed in within the allocated **10 working days** to ensure you receive your prints in time for Christmas and to avoid the surcharge fee.

Please ask your school admin officer if there is anything further you wish to discuss.
