Believe in ourselves, be the best we can be

5.10.18– Newsletter

Before and after school

I realise we have lots of new children and families in the school so it would be worth reminding everyone that we ask you to please not use the play equipment in the playground before or after school. This is for health and safety reasons and we cannot be responsible for any accidents outside of school hours and we have no adults to supervise at these times. I very much appreciate your support with this.

New Website App

We have had some very positive feedback about our new website app that we recently launched. Considering our area of school development where we are hoping to further improve parental engagement and communication, many people have said that they find it very useful and an easy way to see what the children have been doing and quickly locate letters or calendars. If you have not managed to start using it and would like some further support, please come to the office and we would be more than willing to help you.

Mrs Rawlins

I am very sad to inform you that Mrs Rawlins has decided to retire from teaching at the end of this term. We will be now looking for another teacher to take over this role in January. Mrs Rawlins has had a significant impact on children and families in our school for many years. She has also been a source of professional and emotional support for many members of staff and will be missed by the whole school community. Thank you Mrs Rawlins!

Pupil Voice

As many of you will be aware, we recently voted for our new school council. During these assemblies and discussion, we talked about how

DEMOCRACY worked in our school and also the role of **LEADERS**. I love reading the children's thoughts and reflections! Here is another example-

'It is important to have leaders otherwise the world wouldn't be a better place. It is important to start learning these skills when you are children because otherwise you won't know them when you are older.' Ben-Y5

Thank you for your continued support.

Kind regards,

**Dave Killoran
(Headteacher)**
