## Focus on Reception

On Friday 28<sup>th</sup> September, Reception held this year's first  
**'Stay and Play'**

The parents were invited to a phonics meeting in the hall.

The session began with Mrs Littlefair and Miss Baggott explaining how we use our Phonics scheme 'Read Write Inc' in our Reception class, and how the parents can support their children at home.

Parents were then invited into the classrooms where the children were waiting to take part in a range of fun phonic activities.

The children had a great time and loved sharing their classrooms with their families.

Thank you to everyone who came to the session and working in partnership with us.
