SCHOOL NEWS

This week we have two opportunities for you to come and support your children. On Tuesday Miss Elvins will be running a workshop session for parents of reception pupils. This will be a practical session which will help you understand how we teach phonics, by learning alongside your child in class.

On Wednesday (please note change of date above) we have our annual Harvest Festival in St Edward's Church. Every child will be performing at the front and your support will mean so much to them. Please help us fill the church with applause!

HARVEST FESTIVAL

Please come along to our Harvest Festival on Wednesday 10th October at 2.30pm in St Edward's Church.

As always we are inviting you to make donations of non-perishable food which will be presented during our church service. The food will be donated to a charity which helps homeless people and people who are unable to buy food for themselves.

Your donations can be sent with your child to their classrooms.
