Bikeability

This week Oak Class have been taking part in Bikeability. Finn from Oak Class wrote 'Oak Class enjoyed Bikeability because we got to learn new stuff that we didn't know before. We learnt how to signal correctly. We also learnt how to do a U-turn in the playground. With the help of the instructors, we learnt how to check for cars and traffic. The most important check was a shoulder check. We are looking forward to our next half day doing Bikeability Stage 2.'
