Great News!

We have been working hard to get a new school website up and running, and although it is still 'work in progress' I am excited to announce that it is now live - check it out on

<http://www.st-georges.derbyshire.sch.uk>

We have also purchased the mobile App which will enable us to send push notifications and therefore keep you up-to-date with news and notices. Instructions on how to download this App are on the reverse of this newsletter.

Thank you to Miss Lush for her reading workshop and thank you to all of the parents who attended.

Tesco Express have requested that parents DO NOT use their car park when dropping off pupils as it leaves no room for customers.

Thank you

ROAD SAFETY: Some parents have expressed concerns about the speed of traffic on Church Street. We have been advised by the council and CREST to report any incidents to the police on 101.

Please make sure that you supervise children closely and report incidents to the school office, Chair of Governors or contact the police directly.

Please be advised that the school car park **IS NOT** for parent/carers use due to obvious safety concerns. Thank you for your support in this matter.

We have had one or two cases of head lice. Head lice and nits are very common in young children and are not a sign of dirty hair - they can be very small and difficult to see so please check hair regularly and treat if you spot anything!

You can find useful advice on <https://www.nhs.uk/conditions/head-lice-and-nits>
