A small group of children, were lucky enough to attend the Hazlitt Pantomime Launch of Aladdin! As part of the launch, they were lucky enough to meet and chat to the cast, as well as having a river boat trip on the Kentish Lady! This was a wonderful opportunity and a very memorable experience for the children.

Harvest Festival

We will be holding our Harvest Assembly on Thursday 11th October, as in previous years Major Lynne Clifton from our local Salvation Army will be coming along to speak to the children about supporting our local homeless community and needy, vulnerable families.

We would ask that the children contribute towards this very worthwhile cause and bring non-perishable foods for the collection from Monday 8th October. Items that will be gratefully received include: tea/coffee/biscuits/tins/rice/pasta/cereals.

We know that their Food Bank stock is in need of replenishing, and the Salvation are always thrilled with the continued support from our school.

These children were celebrated by their teacher in Gold Book Assembly

Aiden	Turner	For always trying hard with his writing in RWI
Jacob	Shakespeare	Excellent effort in his English
Robert	Churchill	For always doing his best.
Oisin	Attenborough	For some great independent learning about place - value
Jacob	Newton	Excellent attitude and determination in maths
Christian	Fleming	For a fantastic set of instructions, using good imperative verbs and adjectives
Harry	Pepys	Plentiful and good examples of personification in English
Joseph	Wren	For having a positive attitude to learning in his class

This is great site for informing parents of topics for conversations on safer use of the internet and social networking. There is also an option at the bottom of every page where parents can subscribe to receive their newsletters to stay up to date.

Tesco – Playground Fundraising

Please don't forget to shop at Tesco and pop a blue token in the East Borough box. We are gradually creeping towards our total £25,000 but need the potential £4,000 we could win from this initiative.

Year 5 have conducted their first experiment, determining which materials would make the best insulators! Some of the results were unexpected!

Health/Medical Requests

Your child should not return to school until 48 hours after the last bout of sickness or diarrhoea. This is to avoid the spread of any ailments throughoKS2 playtime snacks - Please support us in being a healthy school by ensuring that the only snack your child has at playtime is a piece of fresh/dried fruit or raw vegetables. This is in line with what the children have in KS1, avoids any potential nut allergy issues and encourages the children to eat healthily. Thank you for your support.

We have been made aware that during a recent trip parents were taking photos of the children and posting them on social media. Please be aware that not all parents have given permission for their child's photo to be shared.
